- 5.** Is there a group that is not currently identified as a Cultural and Ethnic group (at the 4-digit level of the classification) that should be identified separately?

In the [ASCCEG](#) Cultural and Ethnic groups are the most detailed level of the classification and have a 4-digit code.

For each cultural and ethnic group not currently separately identified, please provide your suggestions for the following:

- a) Title.
- b) Describe the group in as much detail as possible, including the group characteristics and its relationship to other similar Cultural and Ethnic groups.
- c) Indicate the approximate number of people who might identify within this group in Australia.
- d) Where possible, include evidence to support the proposed change. For example, surveys or data that indicate the number of people affiliated with the group.
- e) Explain how the omission of this group as a separate category in [ASCCEG](#) impacts the community.

Click or tap here to enter text.

- 6.** Please list any Cultural and Ethnic groups that are not accurately represented in the [ASCCEG](#). Include details of why the representation is not accurate (i.e. does the classification reflect the correct spelling of the Cultural and Ethnic group title?)

Click or tap here to enter text.

- 7.** Do you use ABS data about Ancestry or Cultural and Ethnic groups data?

- ☐ Yes
- ☐ No

If 'Yes', please provide the following:

- a) How do you currently use the data (for example, is the data used for any policy analysis, development or reporting purpose)? Please provide a description.
